Scholarship announcement

[The Access to Insurance Initiative (A2ii)](#) is offering two full scholarships for insurance supervisors for the online course [Insurance for Development](#). The scholarships will cover the course tuition and will be awarded through a competitive application process based on the following criteria:

- Country: preference will be given to participants based or working in an Official Development Assistance (ODA) recipient country (low-income and lower-middle income countries);
- English speaking skills (the webinars and materials are fully in English and no translation will be available);
- Ability to demonstrate how the training will benefit their work and their country's inclusive insurance sector;
- Ability to implement the lessons learned from the course.

How to apply:
1. Register for the online course by completing the [registration form on the ITC-ILO's website](#);
2. Send an email requesting the scholarship to impactinsuranceacademy@itcilo.org with the subject: "A2ii scholarship application". Please include in your email:
   - Name, contact information and country, job title and position, years of experience in inclusive insurance and scholarship amount required;
   - At least three reasons why attending the course will benefit your work and the country's inclusive insurance sector.

The deadline for scholarship requests is **September 20th, 2021**. Applicants will be notified of the organizers decision by **September 30th, 2021.**

For any questions, please write an email to impactinsuranceacademy@itcilo.org .
