Regulatory design to enable cooperation

	Underwriting	Payment	Telecommunica- tions	Consumer Data
International	IAIS	Basel Committee	ITU	
Regional	CIMA	BCEAO/BEAC	ATU ¹	
Policymaker	MoF	MoF	Post/Telecoms	Consumer Data Protection Agency
Regulator	National Insurance Authority	Banking Authority	Telecommunica- tions Authority	Consumer Data Protection Agency
Provider	Insurer Broker Agent	Mobile money	MNO	MNO/Insurer/T SP

¹The African Telecommunications Union is responsible for all of Sub-Saharan Africa. There is no regional telecommunications regulator in the CIMA zone.

Key issues:

- Premium collection for e-insurance: mobile money or airtime?
- Electronic contracting
- Data protection:
 - Prospection: insurers directly marketing to MNO clients
 - Protection of consumer data
- Outsourcing governance
- Consumer protection
