

“A2ii is IAIS’ essential partner. One of the key work streams is the implementation of standards. A2ii is working very closely with us on this subject.”

Yoshihiro Kawai
IAIS Secretary General

“Through A2ii, IAIS has been able to amplify its resources to develop supervisory capacity in a way that is aligned with IAIS supervisory material.”

Jonathan Dixon
Chair of the A2ii Governing Council

IAIS is the global standard setter for insurance

A2ii is IAIS’ implementation arm to enhance access to insurance

IAIS represents insurance regulators and supervisors of more than **200** jurisdictions in **140** countries.

IAIS sets international insurance standards for **140** countries, more than half of which are in emerging and developing economies with low insurance penetration.

A2ii works closely with insurance supervisors and provides guidance on how to implement IAIS standards in a proportionate manner.

A2ii has contributed to **7** IAIS supervisory papers.
